

PLEASE DO NOT SUPPORT BROADBAND OVER POWER LINE (BPL) AS IT WILL
INTERRUPT AND DEGRADE COMMUNICATIONS IN THE 2 MHZ TO 80 MHZ RANGE.
THE POWER DISTRIBUTION IN A LOT OF THE RURAL AND CITIES ARE IN
DIRE NEED OF WORK WHICH WOULD MAKE THE PROBLEM EVEN MORE EXTREME.
AS AN AMATEUR RADIO OPERATOR AND ALSO A NARTE CERTIFIED ENGINEER AND
FCC GENERAL RADIOTELEPHONE LICENSE HOLDER I WORK FOR A LARGE
COMMUNICATIONS COMPANY AND I KNOW THAT BPL WILL CAUSE MAJOR TROUBLE.

THANK-YOU,

MARC N. OUELLETTE
